

The PacB Electech team is very proud of their newly branded vehicles! Look out for these beauties on the road!
Thank you to Signarama Silverton for the awesome service and branding.

BRANDING IS THE ART OF DIFFERENTIATION

ANOTHER *Proud* MOMENT

Yet another successful project finalised. The 2 x 500kVA Volvo units were manufactured, and the units were successfully installed and synchronised on site in Martindale, Johannesburg during the 2nd week in

October!

#PacBpride

CUSTOMER FEEDBACK FORMS COMING SOON...

YOUR opinions and feedback are important to us! We are in the process of designing electronic feedback forms to ensure that we continue improving no matter what the situation. We urge you to make use of this portal to provide us with constructive criticism. Loading...

IMPORTANT
Please Read
Before You Continue

We do not wish to disappoint any clients and therefore we kindly request that you inform us of any projects that need to be completed before the end of the year. Most, if not all, of the suppliers will be closing for the December holiday and we just want to ensure that we have enough stock to ensure that 2020 deadlines can be met! Please send through details no later than **30 November 2020** to avoid disappointment.

YEAR END APPROACHING
